SC8:

You will take particular care to ensure that social distancing is maintained for any persons aged 70 or over or likely to be clinically more vulnerable to COVID-19, including for example keeping a 2m distance around them when going in and out of rooms and ensuring they can access the toilets, kitchen or other confined areas without others being present. For some people, passing another person in a confined space is less risky, but for older people that should be avoided.

You will position furniture or the arrangement of the room as far as possible to facilitate people seating side by side, with at least one empty chair between each person, rather than face to face. If tables are being used, you will place them so as to maintain a distance of at least 2 metres across the table between people who are face to face e.g. using a wide U-shape

If this is necessary, we will do our best to inform you promptly and you will not be charged for this hire.

SC13:

In the event of someone becoming unwell with suspected Covid-19 symptoms while at the hall, you should remove them to the designated safe area; the Covid-19 Isolation Room which is in the Changing Rooms. Provide tissues and a bin or plastic bag, and a bowl of warm soapy water for handwashing. Ask others in your group to provide contact details if you do not have them and then leave the premises, observing the usual hand sanitising and social distancing precautions, and advise them to launder their clothes when they arrive home.
